

Louisiana

Louisiana General Comments

- Closing these Reserve facilities is offset by the construction of modern Armed Forces Reserve Centers that will be the right size and design to support Guard and Reserve units that will be stationed there. Transforming RC facilities in Louisiana will improve training, readiness and quality of life for more than 1760 RC soldiers, full-time unit support personnel, and their families.

Reserve Component

Gains:

- Build 2 Armed Forces Reserve Center and a Field Maintenance Facility

Losses:

- Close 3 Army Reserve Centers
- Close 1 National Guard Readiness Center with state permission

Fort Polk

Gains:

- Validates temporary stationing of BCT

Losses

- None
